

Academic Data Compilation

This document contains a comprehensive, structured compilation of university data for international students across 10+ countries. It covers 11 major discipline categories. Each entry is optimized for RAG (Retrieval-Augmented Generation) with explicit metadata field headers.

United Kingdom

Country: United Kingdom

Category: Core Fields (Computer Science / Business)

University: University of London (and member institutions)

Program: BSc Computer Science / Business Management

Cost: \$25,000-38,000 USD per year

Duration: 3 years (full-time)

Keywords: UK, London, CS, Business, Graduate Route Visa

Notes: Shorter duration (3 years) compared to US. Post-study work visa available (Graduate Route).

Country: United Kingdom

Category: Media & Communication

University: Coventry University

Program: BA (Hons) Journalism / Media Production

Cost: \$18,000 - \$21,000 USD per year

Duration: 3 years

Keywords: UK, Journalism, Media, Studio, Production, Coventry

Notes: Practical courses with industry-standard studios.

Country: United Kingdom

Category: Construction Related

University: University of Westminster

Program: BSc (Hons) Quantity Surveying

Cost: \$18,500 - \$20,000 USD per year

Duration: 3 years

Keywords: UK, London, Quantity Surveying, QS, RICS Accredited

Notes: RICS accredited degree. Central London location.

Country: United Kingdom

Category: Fashion & Beauty

University: University of the Arts London (UAL)

Program: BA (Hons) Fashion Design

Cost: \$38,000 USD per year (£29,990)

Duration: 3 years

Keywords: UK, London, Fashion, Design, UAL, Art

Notes: World-leading fashion institute. High fees reflecting prestige.

Country: United Kingdom

Category: Science & Research

University: University of Southampton

Program: BSc (Hons) Marine Biology

Cost: \$38,000 USD per year (£30,300)

Duration: 3 years

Keywords: UK, Marine Biology, Ocean, Russell Group, Science

Notes: One of the top oceanography centers in the world.

Country: United Kingdom

Category: Aviation & Maritime

University: Kingston University London

Program: BEng (Hons) Aviation Engineering

Cost: \$22,000 USD per year

Duration: 3 years

Keywords: UK, Aviation, Engineering, Kingston, London

Notes: Focus on maintenance and engineering side of aviation.

Country: United Kingdom

Category: Allied Health Sciences

University: King's College London (KCL)

Program: BSc Nursing (Adult)

Cost: \$40,000 USD per year (£31,600)

Duration: 3 years

Keywords: UK, London, Nursing, Clinical, NHS, Healthcare

Notes: Top-tier nursing program. Placements in major London hospitals.

Country: United Kingdom

Category: Allied Health Sciences

University: University College Birmingham

Program: BSc Nursing (Adult)

Cost: \$20,000 USD per year (£16,000)

Duration: 3 years

Keywords: UK, Birmingham, Nursing, Affordable, Healthcare

Notes: More affordable nursing option.

Country: United Kingdom

Category: Logistics & Supply Chain

University: Northumbria University

Program: BSc Logistics and Supply Chain Management

Cost: \$20,000 USD per year

Duration: 3 years

Keywords: UK, Logistics, Supply Chain, Business, Newcastle

Notes: Strong industry links.

Country: United Kingdom

Category: Allied Health Sciences

University: Queen Mary University of London

Program: MPharm (Pharmacy)

Cost: \$32,000 - \$40,000 USD per year

Duration: 4 years

Keywords: UK, London, Pharmacy, MPharm, Clinical

Notes: MPharm is an integrated master's required to be a pharmacist in the UK.

Country: United Kingdom

Category: Core Fields (Medicine)

University: University of Edinburgh

Program: MBChB Medicine

Cost: \$65,000 USD per year (£51,961)

Duration: 6 years

Keywords: UK, Edinburgh, Medicine, Doctor, Clinical

Notes: Highly competitive.

Country: United Kingdom

Category: Finance & Data

University: University of Essex

Program: BSc Actuarial Science

Cost: \$27,000 USD per year (£21,525)

Duration: 3 years

Keywords: UK, Actuarial, Math, Finance, Risk

Notes: Strong reputation for social sciences and math.

United States of America

Country: United States

Category: Allied Health Sciences

University: Ohio Northern University

Program: Doctor of Pharmacy (Direct Entry 0-6)

Cost: \$33,000 USD per year

Duration: 6 years (0-6 PharmD)

Keywords: US, USA, Pharmacy, PharmD, Clinical

Notes: Direct entry PharmD from high school is a unique US pathway.

Country: United States

Category: Aviation & Maritime

University: Purdue University

Program: BS Professional Flight

Cost: \$31,000 - \$40,000 USD per year (Tuition Only)

Duration: 4 years

Keywords: US, USA, Aviation, Pilot, Flight Training, Purdue

Notes: Flight fees are ADDITIONAL and significant (\$20k-\$60k total).

Country: United States

Category: Logistics & Supply Chain

University: Arizona State University (ASU)

Program: BS Supply Chain Management

Cost: \$34,000 - \$37,000 USD per year

Duration: 4 years

Keywords: US, USA, Supply Chain, Logistics, W.P. Carey, Business

Notes: Consistently ranked Top 5 in the US for Supply Chain.

Country: United States

Category: Fashion & Beauty

University: Fashion Institute of Technology (FIT)

Program: BFA Fashion Design

Cost: \$22,000 - \$25,000 USD per year

Duration: 4 years

Keywords: US, USA, NYC, Fashion, Design, SUNY, Affordable

Notes: World famous, located in NYC, yet public university pricing.

Country: United States

Category: Hospitality & Tourism

University: University of Nevada, Las Vegas (UNLV)

Program: BS Hospitality Management

Cost: \$25,000 USD per year

Duration: 4 years

Keywords: US, USA, Las Vegas, Hospitality, Hotel, Management

Notes: Located on the Las Vegas Strip. Unrivaled internship access.

Country: United States

Category: Allied Health / Education

University: Community Colleges (e.g., Santa Monica College)

Program: Associate Degree (Nursing / Early Childhood Education)

Cost: \$10,000 USD per year

Duration: 2 years

Keywords: US, USA, Community College, Nursing, Education, Transfer

Notes: Much cheaper first 2 years. Nursing RN programs are competitive.

Country: United States

Category: Finance & Data

University: University of Illinois at Urbana-Champaign (UIUC)

Program: BS Actuarial Science

Cost: \$36,000 - \$46,000 USD per year

Duration: 4 years

Keywords: US, USA, Actuarial, Math, Insurance, Illinois

Notes: Center of Actuarial Excellence.

Country: United States

Category: Agriculture

University: Michigan State University

Program: BS Agriculture / Packaging

Cost: \$40,000 USD per year

Duration: 4 years

Keywords: US, USA, Agriculture, Farming, Packaging, Science

Notes: Pioneer in Packaging Science and Agriculture.

Australia

Country: Australia

Category: Allied Health Sciences

University: Monash University

Program: Bachelor of Pharmacy (Honours)

Cost: \$32,000 - \$35,000 USD per year

Duration: 4 years

Keywords: Australia, Pharmacy, Melbourne, Ranked 1

Notes: Frequently ranked 1 globally for Pharmacy.

Country: Australia

Category: Aviation & Maritime

University: University of New South Wales (UNSW Sydney)

Program: Bachelor of Aviation (Flying)

Cost: \$36,000 USD per year (Tuition)

Duration: 3 years

Keywords: Australia, Aviation, Pilot, Sydney, Flying

Notes: Flight training costs are extra (approx. \$100k AUD total).

Country: Australia

Category: Construction Related

University: Curtin University

Program: Bachelor of Applied Science (Construction Management)

Cost: \$22,000 - \$25,000 USD per year

Duration: 4 years

Keywords: Australia, QS, Quantity Surveying, Construction, Perth

Notes: Accredited by AIQS. High employability in mining/construction sector.

Country: Australia

Category: Fashion & Beauty

University: RMIT University

Program: Bachelor of Fashion (Design)

Cost: \$30,000 USD per year (\$45k AUD)

Duration: 3 years

Keywords: Australia, Fashion, Design, Melbourne, Creative

Notes: RMIT is a global leader in design.

Country: Australia

Category: Science & Research

University: James Cook University (JCU)

Program: Bachelor of Marine Science

Cost: \$24,000 USD per year

Duration: 3 years

Keywords: Australia, Marine Biology, Great Barrier Reef, Science

Notes: Located near the Great Barrier Reef (Townsville/Cairns).

Country: Australia

Category: Allied Health Sciences

University: University of Queensland (UQ)

Program: Bachelor of Physiotherapy (Honours)

Cost: \$30,000 - \$35,000 USD per year

Duration: 4 years

Keywords: Australia, Physiotherapy, Health, Brisbane, Clinical

Notes: High demand clinical program.

Country: Australia

Category: Finance & Data

University: Macquarie University

Program: Bachelor of Actuarial Studies

Cost: \$30,000 USD per year

Duration: 3 years

Keywords: Australia, Actuarial, Sydney, Finance, Math

Notes: Macquarie established the first actuarial program in Australia.

Country: Australia

Category: Education

University: University of Melbourne

Program: Master of Teaching (Secondary) - via Bachelor of Arts

Cost: \$25,000 - \$35,000 USD per year

Duration: 3 years (Bachelor) + 2 years (Master)

Keywords: Australia, Teaching, Education, Melbourne

Notes: Usually requires a Master's for teaching registration in Australia.

Canada

Country: Canada

Category: Allied Health Sciences

University: University of Toronto

Program: BSc Nursing

Cost: \$35,000 USD per year (\$49k CAD)

Duration: 4 years

Keywords: Canada, Nursing, Toronto, Clinical, Health

Notes: Highly competitive entry.

Country: Canada

Category: Science & Research

University: University of British Columbia (UBC)

Program: BSc Forestry

Cost: \$35,000 USD per year

Duration: 4 years

Keywords: Canada, Forestry, Vancouver, Nature, Science

Notes: Leading global forestry school.

Country: Canada

Category: Aviation & Maritime

University: Memorial University of Newfoundland (Marine Institute)

Program: Bachelor of Maritime Studies

Cost: \$9,000 - \$11,000 USD per year

Duration: 4 years

Keywords: Canada, Maritime, Naval, Ocean, Affordable

Notes: Very affordable tuition. Specialized maritime focus.

Country: Canada

Category: Construction Related

University: BCIT (British Columbia Institute of Technology)

Program: Bachelor of Technology (Construction Management)

Cost: \$14,000 - \$18,000 USD per year

Duration: 4 years

Keywords: Canada, Construction, QS, Management, Vancouver

Notes: Practical, job-oriented degree.

Country: Canada

Category: Finance & Data

University: University of Waterloo

Program: BMath Actuarial Science

Cost: \$35,000 - \$45,000 USD per year

Duration: 5 years (Co-op)

Keywords: Canada, Actuarial, Math, Co-op, Waterloo

Notes: Includes paid co-op work terms.

Country: Canada

Category: Science & Research

University: Dalhousie University

Program: BSc Agriculture / Marine Biology

Cost: \$16,000 USD per year

Duration: 4 years

Keywords: Canada, Agriculture, Marine Biology, Halifax

Notes: Dedicated Agricultural Campus in Truro.

Country: Canada

Category: Education / Beauty

University: Seneca Polytechnic

Program: Diploma in Cosmetic Techniques / Early Childhood Education

Cost: \$12,000 USD per year

Duration: 2 years

Keywords: Canada, College, Vocational, Beauty, Education

Notes: Pathway to work permits.

Germany

Country: Germany

Category: Science & Research

University: University of Hohenheim

Program: BSc Agricultural Sciences

Cost: \$3,200 USD per year (€1,500/semester for non-EU)

Duration: 3 years

Keywords: Germany, Agriculture, Farming, Science, Hohenheim

Notes: Germany's top agricultural university. State tuition fees apply (Baden-Württemberg).

Country: Germany

Category: Aviation & Maritime

University: Hochschule Bremen

Program: BSc Ship Management / Nautical Science

Cost: \$800 USD per year (Semester contribution only)

Duration: 4 years

Keywords: Germany, Maritime, Ship, Nautical, Bremen

Notes: Public university, no tuition fees (only semester contribution).

Country: Germany

Category: Core Fields (Engineering)

University: Technical University of Munich (TUM)

Program: BSc Engineering / Management

Cost: \$4,000 - \$6,000 USD per year

Duration: 3 years

Keywords: Germany, Engineering, Munich, TUM, Tech

Notes: TUM has introduced tuition fees for non-EU students (approx €2k-3k/semester).

Netherlands

Country: Netherlands

Category: Science & Research

University: Wageningen University & Research

Program: BSc Food Technology

Cost: \$17,000 USD per year

Duration: 3 years

Keywords: Netherlands, Food Science, Agriculture, English

Notes: World 1 for Food/Agri. English taught.

Country: Netherlands

Category: Logistics & Supply Chain

University: NHL Stenden University of Applied Sciences

Program: BSc Logistics Management

Cost: \$10,000 USD per year

Duration: 4 years

Keywords: Netherlands, Logistics, Supply Chain, Applied Science

Notes: Practical focus (HBO).

Country: Netherlands

Category: Finance & Data

University: University of Amsterdam

Program: BSc Actuarial Science

Cost: \$14,000 USD per year

Duration: 3 years

Keywords: Netherlands, Actuarial, Math, Amsterdam, English

Notes: Taught in English.

Ireland

Country: Ireland

Category: Science & Research

University: University College Dublin (UCD)

Program: BSc Agricultural Science / Radiography

Cost: \$25,000 USD per year

Duration: 4 years

Keywords: Ireland, Agriculture, Radiography, Dublin, Science

Notes: UCD offers Ireland's only Radiography degree.

Country: Ireland

Category: Aviation & Maritime

University: University of Limerick

Program: BEng Aeronautical Engineering

Cost: \$19,000 USD per year

Duration: 4 years

Keywords: Ireland, Aviation, Engineering, Limerick

Notes: Ireland is a hub for aviation leasing.

Country: Ireland

Category: Hospitality & Tourism

University: Shannon College of Hotel Management (Uni of Galway)

Program: BBS International Hotel Management

Cost: \$15,000 USD per year

Duration: 4 years

Keywords: Ireland, Hospitality, Hotel, Management, Shannon

Notes: Nearly 100% employment rate.

Singapore

Country: Singapore

Category: Aviation & Maritime

University: Nanyang Technological University (NTU)

Program: BSc Maritime Studies

Cost: \$22,000 - \$30,000 USD per year

Duration: 4 years

Keywords: Singapore, Maritime, Shipping, Asia, Business

Notes: Supported by Singapore's massive port ecosystem.

Country: Singapore

Category: Aviation & Maritime

University: Singapore Institute of Technology (SIT)

Program: Bachelor of Business in Aviation Management

Cost: \$18,000 USD per year (Subsidized rate approx.)

Duration: 3 years

Keywords: Singapore, Aviation, Management, SIT, Applied Learning

Notes: Focused on aviation business/management.

Country: Singapore

Category: Construction Related

University: National University of Singapore (NUS)

Program: BSc Real Estate (Quantity Surveying paths)

Cost: \$22,000 - \$30,000 USD per year

Duration: 4 years

Keywords: Singapore, Real Estate, QS, NUS, Asia

Notes: Top ranked university in Asia.

Malaysia

Country: Malaysia

Category: Science & Research

University: Universiti Putra Malaysia (UPM)

Program: Bachelor of Agriculture

Cost: \$4,000 USD per year

Duration: 4 years

Keywords: Malaysia, Agriculture, Farming, Public Uni, Low Cost

Notes: Top ranked for agriculture in Malaysia.

Country: Malaysia

Category: Construction Related

University: Taylor's University

Program: Bachelor of Quantity Surveying

Cost: \$8,000 - \$9,000 USD per year

Duration: 3 years

Keywords: Malaysia, Quantity Surveying, QS, Taylor's, Private

Notes: Dual awards often available.

Country: Malaysia

Category: Aviation & Maritime

University: University of Kuala Lumpur (UniKL)

Program: Bachelor of Aviation Management / Marine Engineering

Cost: \$6,000 USD per year

Duration: 3-4 years

Keywords: Malaysia, Aviation, Marine, TVET, Technical

Notes: Hands-on technical training.

Country: Malaysia

Category: Allied Health Sciences

University: International Medical University (IMU)

Program: Bachelor of Nursing

Cost: \$10,000 USD per year

Duration: 4 years

Keywords: Malaysia, Nursing, Health, Private, IMU

Notes: Established private medical university.

Country: Malaysia

Category: Logistics & Supply Chain

University: UCSI University

Program: BA (Hons) Supply Chain Operations

Cost: \$5,000 USD per year

Duration: 3 years

Keywords: Malaysia, Logistics, Supply Chain, Business, KL

Notes: Affordable private university option.

New Zealand

Country: New Zealand

Category: Science & Research

University: Lincoln University

Program: Bachelor of Agriculture / Viticulture

Cost: \$22,000 USD per year

Duration: 3 years

Keywords: New Zealand, Agriculture, Wine, Viticulture, Farming

Notes: Industry-focused degrees.

Country: New Zealand

Category: Aviation & Maritime

University: Massey University

Program: Bachelor of Aviation (Pilot)

Cost: Tuition + Flight Fees

Duration: 3 years

Keywords: New Zealand, Aviation, Pilot, Massey, Flight

Notes: The "university of aviation" in NZ.

Country: New Zealand

Category: Education

University: Auckland University of Technology (AUT)

Program: Bachelor of Education (Secondary Teaching)

Cost: \$20,000 USD per year (\$32k NZD)

Duration: 3 years

Keywords: New Zealand, Teaching, Education, Auckland

Notes: High demand for teachers.

ADDITIONAL SPECIALIZED FIELDS & CORE DISCIPLINES

Veterinary Medicine

Country: United Kingdom

Category: Allied Health Sciences (Veterinary Medicine)

University: Royal Veterinary College (RVC), London

Program: Bachelor of Veterinary Medicine (BVetMed)

Cost: \$48,000 USD per year (£38,000)

Duration: 5 years

Keywords: UK, Veterinary, Animal Science, London, Clinical

Notes: RCVS accredited. One of the oldest veterinary schools (est. 1791).

Country: Australia

Category: Allied Health Sciences (Veterinary Medicine)

University: University of Sydney

Program: Doctor of Veterinary Medicine (DVM)

Cost: \$65,000 USD per year

Duration: 4 years (graduate entry)

Keywords: Australia, Veterinary, Animal Science, Sydney

Notes: Graduate-entry program. Extensive clinical facilities.

Country: United States

Category: Allied Health Sciences (Veterinary Medicine)

University: St. Matthew's University School of Veterinary Medicine

Program: DVM (Doctor of Veterinary Medicine)

Cost: \$32,000 USD per year

Duration: 4 years + clinical year

Keywords: US, USA, Caribbean, Veterinary, Affordable

Notes: Caribbean medical education. US clinical rotations available.

Country: Lithuania

Category: Allied Health Sciences (Veterinary Medicine)

University: Lithuanian University of Health Sciences (LSMU)

Program: Veterinary Medicine

Cost: \$1,000 USD per year

Duration: 6 years

Keywords: Lithuania, Veterinary, EU, Affordable, Europe

Notes: One of most affordable vet programs in Europe.

Country: Germany

Category: Allied Health Sciences (Veterinary Medicine)

University: University of Veterinary Medicine Hanover (TiHo)

Program: Veterinary Medicine (Staatsexamen)

Cost: \$1,000 USD per year

Duration: 5.5 years

Keywords: Germany, Veterinary, Affordable, Research

Notes: Public university. Minimal fees. Taught in German.

Country: Indonesia

Category: Allied Health Sciences (Veterinary Medicine)

University: IPB University (Bogor Agricultural University)

Program: Bachelor of Veterinary Science

Cost: \$1,834 USD per year

Duration: 4 years

Keywords: Indonesia, Veterinary, Asia, English-taught, Affordable

Notes: Taught entirely in English. Very affordable option.

Country: Netherlands

Category: Allied Health Sciences (Veterinary Medicine)

University: Utrecht University

Program: Bachelor + Master Veterinary Medicine

Cost: \$28,675 USD per year (non-EU)

Duration: 6 years (3+3)

Keywords: Netherlands, Veterinary, Research, Europe

Notes: Top-ranked veterinary program. Taught in Dutch.

Country: United States

Category: Allied Health Sciences (Veterinary Medicine)

University: University of Florida College of Veterinary Medicine

Program: Doctor of Veterinary Medicine (DVM)

Cost: \$50,000 USD per year (out-of-state/international)

Duration: 4 years

Keywords: US, USA, Veterinary, Florida, Animal Science

Notes: Florida's only veterinary college. Highly competitive.

Dentistry

Country: United States

Category: Allied Health Sciences (Dentistry)

University: Tufts University School of Dental Medicine

Program: DMD (Dental International Student Program)

Cost: \$90,000 USD per year

Duration: 29 months (for foreign-trained dentists)

Keywords: US, USA, Dentistry, DIS Program, Advanced Standing

Notes: For foreign-trained dentists. Total cost \$220,000.

Country: United States

Category: Allied Health Sciences (Dentistry)

University: Rutgers School of Dental Medicine

Program: Internationally Educated DMD Program

Cost: \$85,000 USD per year

Duration: 27 months

Keywords: US, USA, Dentistry, New Jersey, International

Notes: Advanced standing for foreign-trained dentists.

Country: United States

Category: Allied Health Sciences (Dentistry)

University: UCLA School of Dentistry

Program: Professional Program for International Dentists (PPID)

Cost: \$95,000 USD per year

Duration: 2 years

Keywords: US, USA, Dentistry, Los Angeles, UCLA

Notes: 2-year advanced standing for foreign dentists.

Country: United States

Category: Allied Health Sciences (Dentistry)

University: UCSF School of Dentistry

Program: International Dentist Pathway (IDP)

Cost: \$90,000 USD per year

Duration: 3 years (from 2024-25 cycle)

Keywords: US, USA, Dentistry, San Francisco, UCSF

Notes: 3-year integrated track into DDS curriculum.

Country: Singapore

Category: Allied Health Sciences (Dentistry)

University: National University of Singapore (NUS)

Program: Bachelor of Dental Surgery (BDS)

Cost: \$181,150 USD per year (non-subsidized)

Duration: 4 years

Keywords: Singapore, Dentistry, NUS, Asia, Clinical

Notes: Extremely high cost for non-subsidized international students.

Country: United Kingdom

Category: Allied Health Sciences (Dentistry)

University: King's College London (KCL)

Program: BDS Dentistry

Cost: \$52,000 USD per year (£41,000)

Duration: 5 years

Keywords: UK, Dentistry, London, Clinical, KCL

Notes: GDC registered program. Highly competitive entry.

Country: Australia

Category: Allied Health Sciences (Dentistry)

University: University of Melbourne

Program: Doctor of Dental Surgery (DDS)

Cost: \$78,000 USD per year

Duration: 4 years (graduate entry)

Keywords: Australia, Dentistry, Melbourne, Clinical

Notes: Graduate-entry program requiring prior bachelor degree.

Environmental Science & Sustainability

Country: United Netherlands

Category: Science & Research (Environmental Science)

University: Wageningen University & Research

Program: BSc Environmental Sciences

Cost: \$17,000 USD per year

Duration: 3 years

Keywords: Netherlands, Environmental, Sustainability, Research, English

Notes: World 1 for environmental sciences. English-taught.

Country: United Kingdom

Category: Science & Research (Environmental Science)

University: Imperial College London

Program: BSc Environmental Geoscience

Cost: \$42,000 USD per year (£33,250)

Duration: 3 years

Keywords: UK, Environmental Science, Geology, London, Imperial

Notes: Focus on climate change and environmental challenges.

Country: United States

Category: Science & Research (Environmental Science)

University: University of California, Berkeley

Program: BS Environmental Sciences

Cost: \$46,000 USD per year

Duration: 4 years

Keywords: US, USA, Environmental Science, California, Research

Notes: Top-ranked environmental program. Strong research focus.

Country: Canada

Category: Science & Research (Environmental Science)

University: University of British Columbia (UBC)

Program: BSc Environmental Sciences

Cost: \$42,000 USD per year (\$59k CAD)

Duration: 4 years

Keywords: Canada, Environmental, Vancouver, Sustainability, UBC

Notes: Strong focus on sustainability and conservation.

Country: Australia

Category: Science & Research (Environmental Science)

University: Australian National University (ANU)

Program: Bachelor of Environment and Sustainability

Cost: \$36,000 USD per year

Duration: 3 years

Keywords: Australia, Environmental, Sustainability, Canberra, ANU

Notes: Interdisciplinary approach to environmental challenges.

Country: Germany

Category: Science & Research (Renewable Energy)

University: Technical University of Munich (TUM)

Program: BSc Sustainable Energy Systems (planned intake)

Cost: \$800 USD per year (Semester contribution)

Duration: 3 years

Keywords: Germany, Renewable Energy, Engineering, Sustainability

Notes: Public university with minimal fees.

Country: Singapore

Category: Science & Research (Sustainability)

University: National University of Singapore (NUS)

Program: MSc Climate Change and Sustainability

Cost: \$35,000 USD per year (total program)

Duration: 1 year (Master's)

Keywords: Singapore, Climate Change, Sustainability, Graduate

Notes: Interdisciplinary master's program. Scholarships available.

Film Production & Media Arts

Country: United States

Category: Media & Communication (Film Production)

University: University of Southern California (USC) - School of Cinematic Arts

Program: BA Film & Television Production

Cost: \$68,000 USD per year

Duration: 4 years

Keywords: US, USA, Film, Cinema, Los Angeles, Hollywood

Notes: 1 film school globally. Located in Hollywood.

Country: United States

Category: Media & Communication (Film Production)

University: New York University (NYU) - Tisch School of the Arts

Program: BFA Film & Television

Cost: \$62,000 USD per year

Duration: 4 years

Keywords: US, USA, Film, NYC, Tisch, Production

Notes: Top-ranked film school. NYC film industry connections.

Country: United States

Category: Media & Communication (Film Production)

University: American Film Institute (AFI)

Program: MFA Filmmaking (various tracks)

Cost: \$65,000 USD per year

Duration: 2 years (Master's)

Keywords: US, USA, Film, Los Angeles, Graduate, AFI

Notes: Graduate-only conservatory. Produces multiple films.

Country: United States

Category: Media & Communication (Film Production)

University: California Institute of the Arts (CalArts)

Program: BFA Film and Video

Cost: \$56,000 USD per year

Duration: 4 years

Keywords: US, USA, Film, California, Experimental, Disney

Notes: Founded by Walt Disney. Experimental focus.

Country: United Kingdom

Category: Media & Communication (Film Production)

University: London Film School

Program: MA Filmmaking

Cost: \$45,000 USD per year

Duration: 2 years (Master's)

Keywords: UK, Film, London, Postgraduate, International

Notes: Graduate-only. 70% international students.

Country: Canada

Category: Media & Communication (Film Production)

University: Vancouver Film School

Program: Film Production (Diploma)

Cost: \$35,000 USD total

Duration: 1 year

Keywords: Canada, Film, Vancouver, Intensive, Production

Notes: Intensive one-year program. Very hands-on.

Country: Czech Republic

Category: Media & Communication (Film Production)

University: Academy of Performing Arts' Film and TV School (FAMU)

Program: Bachelor/Master in Film

Cost: \$5,000 USD per year

Duration: 3-5 years

Keywords: Czech Republic, Film, Prague, Europe, Affordable

Notes: One of oldest film schools (est. 1946). Very affordable.

Country: France

Category: Media & Communication (Film Production)

University: La Fémis

Program: Various Film Programs

Cost: \$500 USD per year (Public institution)

Duration: 3-4 years

Keywords: France, Film, Paris, Prestigious, Public

Notes: Top European film school. Extremely selective.

Animation & Game Design

Country: United States

Category: Media & Communication (Animation)

University: California Institute of the Arts (CalArts)

Program: BFA Character Animation

Cost: \$56,000 USD per year

Duration: 4 years

Keywords: US, USA, Animation, CalArts, Disney, Character

Notes: Legendary animation program. Disney connection.

Country: United States

Category: Media & Communication (Animation)

University: Savannah College of Art and Design (SCAD)

Program: BFA Animation

Cost: \$39,000 USD per year

Duration: 4 years

Keywords: US, USA, Animation, SCAD, Georgia, Digital Arts

Notes: State-of-the-art animation facilities.

Country: United States

Category: Media & Communication (Animation)

University: Ringling College of Art and Design

Program: BFA Computer Animation

Cost: \$49,000 USD per year

Duration: 4 years

Keywords: US, USA, Animation, Florida, 3D, Visual Effects

Notes: Top computer animation program. Pixar recruiters frequent.

Country: Singapore

Category: Media & Communication (Animation)
University: Nanyang Technological University (NTU)
Program: BFA Media Art (Animation track)
Cost: \$24,000 USD per year
Duration: 4 years
Keywords: Singapore, Animation, VFX, Game Art, Asia
Notes: Prepares for animation, VFX, and game industries.

Country: Canada
Category: Media & Communication (Animation)
University: Emily Carr University of Art + Design
Program: BMA 3D Computer Animation / 2D Animation
Cost: \$18,000 USD per year (CAD 25k)
Duration: 4 years
Keywords: Canada, Animation, Vancouver, Digital Arts
Notes: Specialized animation tracks available.

Country: France
Category: Media & Communication (Animation)
University: Gobelins Paris
Program: Animation Degree
Cost: \$9,000 USD per year
Duration: 3 years
Keywords: France, Animation, Paris, Europe, Character Animation
Notes: World-renowned for animation. European fees.

Country: France

Category: Media & Communication (Animation/VFX)

University: ArtFX

Program: Bachelor CGI & VFX / 3D Animation

Cost: \$10,000 USD per year

Duration: 3 years

Keywords: France, Animation, VFX, 3D, English options

Notes: Private college. English-taught options available.

Country: Australia

Category: Media & Communication (Animation)

University: Griffith University

Program: Bachelor of Animation

Cost: \$28,000 USD per year

Duration: 3 years

Keywords: Australia, Animation, Queensland, CGI, Art Direction

Notes: Majors in Animating, Art Direction, CGI Technical Direction.

Country: United States

Category: Media & Communication (Game Design)

University: DigiPen Institute of Technology

Program: BS Computer Science and Game Design

Cost: \$38,000 USD per year

Duration: 4 years

Keywords: US, USA, Game Design, Programming, DigiPen

Notes: First college to offer game development degree. Also campuses in Singapore and Spain.

Country: United States

Category: Media & Communication (Game Design)

University: University of Southern California (USC Games)

Program: BS/BA/BFA Games (various tracks)

Cost: \$68,000 USD per year

Duration: 4 years

Keywords: US, USA, Game Design, USC, Los Angeles, Interactive

Notes: Multidisciplinary game development hub.

Country: United States

Category: Media & Communication (Game Design)

University: University of California, Santa Cruz (UCSC)

Program: BS Computer Science: Computer Game Design

Cost: \$46,000 USD per year

Duration: 4 years

Keywords: US, USA, Game Design, California, Programming

Notes: Top-ranked game design program globally.

Country: United States

Category: Media & Communication (Game Design)

University: Rochester Institute of Technology (RIT)

Program: BS Game Design and Development

Cost: \$55,000 USD per year

Duration: 4 years

Keywords: US, USA, Game Design, New York, Interactive Media

Notes: Interdisciplinary game development focus.

Country: Netherlands

Category: Media & Communication (Game Design)

University: Breda University of Applied Sciences

Program: BSc International Game Architecture and Design

Cost: \$10,000 USD per year

Duration: 4 years

Keywords: Netherlands, Game Design, Team Projects, Applied

Notes: Team-based project focus. Industry-ready training.

Country: Sweden

Category: Media & Communication (Game Design)

University: PlaygroundSquad

Program: Game Development (Programming/Design/Art)

Cost: \$15,000 USD per year

Duration: 2 years

Keywords: Sweden, Game Design, Polytechnic, Europe

Notes: Specialized game development polytechnic.

Country: United Kingdom

Category: Media & Communication (Game Design)

University: University of Staffordshire

Program: BSc Games Design / Games Art

Cost: \$18,000 USD per year

Duration: 3 years

Keywords: UK, Game Design, Staffordshire, Industry

Notes: Leading center for games education in UK.

Country: Belgium

Category: Media & Communication (Game Design)

University: Digital Arts and Entertainment (DAE) - Howest

Program: Game Development / Game Graphics Production

Cost: \$6,000 USD per year

Duration: 3 years

Keywords: Belgium, Game Design, Europe, Team Projects

Notes: Very affordable. Real-world team-based projects.

Country: Malaysia

Category: Media & Communication (Animation/Game Design)

University: The One Academy of Communication Design

Program: Diploma/Degree in Game Art / Animation

Cost: \$5,000 USD per year

Duration: 3 years

Keywords: Malaysia, Game Art, Animation, Affordable, Asia

Notes: Recognized for creative education excellence.

Additional Affordable Universities (USA)

Country: United States

Category: Core Fields (Various)

University: California State University - Long Beach (CSULB)

Program: Various Bachelor Programs

Cost: \$18,000 USD per year

Duration: 4 years

Keywords: US, USA, California, CSU, Affordable, Public

Notes: Part of affordable CSU system.

Country: United States

Category: Core Fields (Various)

University: San Jose State University (SJSU)

Program: Various Bachelor Programs (Engineering, Business, CS)

Cost: \$17,500 USD per year

Duration: 4 years

Keywords: US, USA, Silicon Valley, California, Tech, Affordable

Notes: Located in Silicon Valley. Strong tech programs.

Country: United States

Category: Core Fields (Various)

University: Brigham Young University (BYU)

Program: Various Bachelor Programs

Cost: \$6,000 USD per year

Duration: 4 years

Keywords: US, USA, Utah, BYU, Very Affordable, Religious

Notes: LDS Church-affiliated. Exceptionally low tuition.

Country: United States

Category: Core Fields (Various)

University: University of Central Florida (UCF)

Program: Various Bachelor Programs

Cost: \$22,000 USD per year

Duration: 4 years

Keywords: US, USA, Florida, Orlando, Growing University

Notes: Large enrollment. Growing research university.

Country: United States

Category: Core Fields (Various)

University: Florida International University (FIU)

Program: Various Bachelor Programs

Cost: \$19,000 USD per year

Duration: 4 years

Keywords: US, USA, Florida, Miami, International, Affordable

Notes: Very international student body. Miami location.

Country: United States

Category: Core Fields (Various)

University: University of South Florida (USF)

Program: Various Bachelor Programs

Cost: \$17,000 USD per year

Duration: 4 years

Keywords: US, USA, Florida, Tampa, Research, Affordable

Notes: R1 research university. Good value.

Country: United States

Category: Core Fields (Various)

University: Southeast Missouri State University

Program: Various Bachelor Programs

Cost: \$15,000 USD per year

Duration: 4 years

Keywords: US, USA, Missouri, Very Affordable, Public

Notes: Very affordable public university option.

Additional Canadian Universities

Country: Canada

Category: Core Fields (Various)

University: Memorial University of Newfoundland

Program: Various Bachelor Programs

Cost: \$11,460 USD per year (\$16k CAD)

Duration: 4 years

Keywords: Canada, Newfoundland, Most Affordable, Atlantic

Notes: Canada's most affordable university for international students.

Country: Canada

Category: Core Fields (Various)

University: University of Prince Edward Island (UPEI)

Program: Various Bachelor Programs

Cost: \$13,320 USD per year (\$18.5k CAD)

Duration: 4 years

Keywords: Canada, PEI, Affordable, Atlantic, Small Class Size

Notes: Small class sizes. Very affordable Atlantic university.

Country: Canada

Category: Core Fields (Various)

University: Brandon University (Manitoba)

Program: Various Bachelor Programs

Cost: \$12,000 USD per year (\$17k CAD)

Duration: 4 years

Keywords: Canada, Manitoba, Affordable, Small University

Notes: Small university. Personalized attention.

Country: Canada

Category: Core Fields (Various)

University: University of Northern British Columbia (UNBC)

Program: Various Bachelor Programs

Cost: \$24,000 USD per year (\$34k CAD)

Duration: 4 years

Keywords: Canada, BC, Research, Nature, Northern

Notes: Research-intensive. Beautiful northern BC location.

Additional Germany Programs (Low/No Tuition)

Country: Germany

Category: Core Fields (Engineering)

University: RWTH Aachen University

Program: BSc/MSc Mechanical Engineering / Electrical Engineering

Cost: \$800 USD per year (Semester contribution)

Duration: 3 years (Bachelor) + 2 years (Master)

Keywords: Germany, Engineering, TU9, Aachen, Research

Notes: Germany's leading technical university. Part of TU9.

Country: Germany

Category: Core Fields (Engineering)

University: Karlsruhe Institute of Technology (KIT)

Program: BSc/MSc Engineering Programs

Cost: \$800 USD per year (Semester contribution)

Duration: 3 years (Bachelor)

Keywords: Germany, Engineering, Research, TU9, Affordable

Notes: Excellence university. Strong research focus.

Country: Germany

Category: Core Fields (Business/Management)

University: University of Mannheim

Program: BSc Business Administration

Cost: \$1,700 USD per year

Duration: 3 years

Keywords: Germany, Business, Management, Mannheim, Affordable

Notes: Top business school in Germany. Taught in German/English.

Country: Germany

Category: Science & Research (Chemistry)

University: University of Wuppertal

Program: BSc Sustainable Chemistry

Cost: \$800 USD per year (Semester contribution)

Duration: 3 years

Keywords: Germany, Chemistry, Sustainable, Green Chemistry

Notes: Focus on sustainable chemistry practices.

ADDITIONAL SPECIALIZED FIELDS & CORE DISCIPLINES

Science & Research - Biotechnology

Country: United Kingdom

Category: Science & Research (Biotechnology)

University: Imperial College London

Program: BSc Biotechnology

Cost: \$42,000 USD per year (£33,250)

Duration: 3 years

Keywords: UK, London, Biotechnology, Research, Imperial, Science

Notes: World-class research facilities. High employability in pharma/biotech sector.

Country: United States

Category: Science & Research (Biotechnology)

University: University of California, San Diego (UCSD)

Program: BS Biotechnology

Cost: \$45,000 USD per year

Duration: 4 years

Keywords: US, USA, California, Biotechnology, Research, Biotech Industry

Notes: Located in biotech hub (San Diego). Strong industry connections.

Country: Singapore

Category: Science & Research (Biotechnology)

University: National University of Singapore (NUS)

Program: BSc (Hons) Life Sciences (Biomedical Science)

Cost: \$27,000 USD per year

Duration: 4 years

Keywords: Singapore, Biotechnology, Life Sciences, Biomedical, Asia

Notes: Leading Asian biotech research university.

Country: Australia

Category: Science & Research (Biotechnology)

University: University of Melbourne

Program: BSc Biotechnology

Cost: \$38,000 USD per year

Duration: 3 years

Keywords: Australia, Biotechnology, Melbourne, Research, Science

Notes: Strong research focus with industry partnerships.

Country: Ireland

Category: Science & Research (Biotechnology)

University: Dublin City University (DCU)

Program: BSc Biotechnology

Cost: \$16,000 USD per year

Duration: 4 years

Keywords: Ireland, Biotechnology, Dublin, INTRA year

Notes: Includes mandatory industry placement (INTRA) year.

Country: Netherlands

Category: Science & Research (Biotechnology)

University: Delft University of Technology

Program: BSc Life Science and Technology

Cost: \$14,000 USD per year

Duration: 3 years

Keywords: Netherlands, Biotechnology, Delft, Engineering, English

Notes: Taught in English. Combines biology with technology.

Country: Germany

Category: Science & Research (Biotechnology)

University: Heidelberg University

Program: BSc Molecular Biotechnology

Cost: \$800 USD per year (Semester contribution)

Duration: 3 years

Keywords: Germany, Biotechnology, Heidelberg, Research, Affordable

Notes: Public university with minimal fees. World-renowned research.

Science & Research - Food Science (Expansion)

Country: United Kingdom

Category: Science & Research (Food Science)

University: University of Reading

Program: BSc Food Science

Cost: \$28,000 USD per year (£22,150)

Duration: 3 years

Keywords: UK, Food Science, Reading, Nutrition, Industry

Notes: Strong industry links with major food companies.

Country: United States

Category: Science & Research (Food Science)

University: Cornell University

Program: BS Food Science

Cost: \$65,000 USD per year

Duration: 4 years

Keywords: US, USA, Food Science, Cornell, Ivy League, Research

Notes: Top-ranked food science program. Expensive but prestigious.

Country: Canada

Category: Science & Research (Food Science)

University: University of Guelph

Program: BSc Food Science

Cost: \$28,000 USD per year (\$39k CAD)

Duration: 4 years

Keywords: Canada, Food Science, Guelph, Co-op, Ontario

Notes: Canada's leading food science program. Co-op opportunities available.

Country: Malaysia

Category: Science & Research (Food Science)

University: Universiti Putra Malaysia (UPM)

Program: Bachelor of Food Science and Technology

Cost: \$4,000 USD per year

Duration: 4 years

Keywords: Malaysia, Food Science, Affordable, UPM, Technology

Notes: Very affordable. Government university.

Allied Health Sciences - Medical Laboratory Technology (MLT)

Country: United Kingdom

Category: Allied Health Sciences (MLT)

University: University of Westminster

Program: BSc Biomedical Sciences

Cost: \$20,000 USD per year

Duration: 3 years

Keywords: UK, MLT, Medical Laboratory, Biomedical, London

Notes: IBMS accredited. Pathway to biomedical scientist registration.

Country: Australia

Category: Allied Health Sciences (MLT)

University: RMIT University

Program: Bachelor of Applied Science (Laboratory Medicine)

Cost: \$28,000 USD per year

Duration: 3 years

Keywords: Australia, MLT, Medical Lab, Melbourne, AIMS

Notes: AIMS accredited for professional registration.

Country: Canada

Category: Allied Health Sciences (MLT)

University: University of Alberta

Program: BSc Medical Laboratory Science

Cost: \$26,000 USD per year (\$36k CAD)

Duration: 4 years

Keywords: Canada, MLT, Medical Laboratory, Alberta, Clinical

Notes: CSMLS accreditation pathway included.

Country: Malaysia

Category: Allied Health Sciences (MLT)

University: International Medical University (IMU)

Program: Bachelor of Medical Laboratory Technology

Cost: \$9,000 USD per year

Duration: 3 years

Keywords: Malaysia, MLT, Medical Lab, IMU, Healthcare

Notes: Affordable private medical university option.

Country: Ireland

Category: Allied Health Sciences (MLT)

University: Technological University Dublin

Program: BSc Biomedical Science

Cost: \$14,000 USD per year

Duration: 4 years

Keywords: Ireland, MLT, Biomedical, Dublin, Laboratory

Notes: Includes clinical placements.

Country: New Zealand

Category: Allied Health Sciences (MLT)

University: Auckland University of Technology (AUT)

Program: Bachelor of Health Science (Medical Laboratory Science)

Cost: \$23,000 USD per year (\$37k NZD)

Duration: 3 years

Keywords: New Zealand, MLT, Medical Laboratory, Auckland

Notes: NZIMLS registration pathway.

Media & Communication - Comprehensive Coverage

Country: United Kingdom

Category: Media & Communication (Digital Marketing)

University: University of Greenwich

Program: BA Digital Marketing Communications

Cost: \$18,000 USD per year

Duration: 3 years

Keywords: UK, Digital Marketing, London, Social Media, Greenwich

Notes: Focus on digital strategy and analytics.

Country: Australia

Category: Media & Communication (PR)

University: Queensland University of Technology (QUT)

Program: Bachelor of Communication (Public Relations)

Cost: \$26,000 USD per year

Duration: 3 years

Keywords: Australia, PR, Public Relations, Brisbane, Media

Notes: Strong industry connections in Queensland.

Country: United States

Category: Media & Communication (PR)

University: University of Southern California (USC)

Program: BA Public Relations

Cost: \$68,000 USD per year

Duration: 4 years

Keywords: US, USA, PR, Los Angeles, USC, Annenberg, Media

Notes: Annenberg School - Top PR program globally. Very expensive.

Country: Canada

Category: Media & Communication (Digital Marketing)

University: Ryerson University (Toronto Metropolitan)

Program: BA Creative Industries

Cost: \$30,000 USD per year (\$42k CAD)

Duration: 4 years

Keywords: Canada, Digital Marketing, Toronto, Creative, Media

Notes: Combines business, media, and digital strategy.

Country: Singapore

Category: Media & Communication (Journalism)

University: Nanyang Technological University (NTU)

Program: BA Communication Studies

Cost: \$24,000 USD per year

Duration: 4 years

Keywords: Singapore, Journalism, Communications, NTU, Media

Notes: Wee Kim Wee School of Communication. Asian media hub.

Country: Malaysia

Category: Media & Communication (Digital Marketing)

University: Taylor's University

Program: BA (Hons) Digital Media Production

Cost: \$7,000 USD per year

Duration: 3 years

Keywords: Malaysia, Digital Marketing, Media, Taylor's, Affordable

Notes: Practical focus with industry projects.

Country: Ireland

Category: Media & Communication (PR)

University: Dublin Business School

Program: BA (Hons) Marketing with PR

Cost: \$11,000 USD per year

Duration: 3 years

Keywords: Ireland, PR, Marketing, Dublin, Communications

Notes: QQI validated degree. Affordable private college.

Sports Science & Management

Country: United Kingdom

Category: Sports Science

University: Loughborough University

Program: BSc Sport and Exercise Science

Cost: \$32,000 USD per year (£25,250)

Duration: 3 years

Keywords: UK, Sports Science, Loughborough, Exercise, Athletics

Notes: UK's 1 sports university. Olympic training facilities.

Country: Australia

Category: Sports Science

University: Australian Catholic University (ACU)

Program: Bachelor of Exercise and Sports Science

Cost: \$24,000 USD per year

Duration: 3 years

Keywords: Australia, Sports Science, Exercise, Melbourne, Brisbane

Notes: Multiple campus options. Strong clinical focus.

Country: United States

Category: Sports Science

University: University of Florida

Program: BS Sport Management

Cost: \$28,000 USD per year

Duration: 4 years

Keywords: US, USA, Sports Science, Management, Florida

Notes: Top sports program. Links to professional sports teams.

Country: Canada

Category: Sports Science

University: University of British Columbia (UBC)

Program: BKin Kinesiology

Cost: \$38,000 USD per year (\$53k CAD)

Duration: 4 years

Keywords: Canada, Sports Science, Kinesiology, Vancouver, UBC

Notes: Comprehensive kinesiology program with research focus.

Country: New Zealand

Category: Sports Science

University: University of Otago

Program: BSc Physical Education, Sport and Exercise Sciences

Cost: \$24,000 USD per year (\$39k NZD)

Duration: 3 years

Keywords: New Zealand, Sports Science, Otago, Exercise

Notes: High-performance athlete support programs.

Country: Ireland

Category: Sports Science

University: University College Dublin (UCD)

Program: BSc Sport and Exercise Management

Cost: \$25,000 USD per year

Duration: 4 years

Keywords: Ireland, Sports Science, Dublin, Management, UCD

Notes: Combines science with sports business.

Psychology

Country: United Kingdom

Category: Core Fields (Psychology)

University: University of Bath

Program: BSc Psychology

Cost: \$30,000 USD per year (£23,700)

Duration: 3 years

Keywords: UK, Psychology, BPS, Bath, Research

Notes: BPS accredited. Strong research ranking.

Country: United States

Category: Core Fields (Psychology)

University: New York University (NYU)

Program: BA Psychology

Cost: \$60,000 USD per year

Duration: 4 years

Keywords: US, USA, Psychology, NYC, NYU, Clinical

Notes: APA accredited. Clinical research opportunities.

Country: Australia

Category: Core Fields (Psychology)

University: University of Sydney

Program: Bachelor of Psychology (Honours)

Cost: \$36,000 USD per year

Duration: 4 years

Keywords: Australia, Psychology, Sydney, APAC, Clinical

Notes: APAC accredited. 4-year honours program.

Country: Canada

Category: Core Fields (Psychology)

University: McGill University

Program: BA Psychology

Cost: \$25,000 USD per year (\$35k CAD)

Duration: 3-4 years

Keywords: Canada, Psychology, Montreal, McGill, Research

Notes: Top Canadian psychology program. Research-intensive.

Country: Netherlands

Category: Core Fields (Psychology)

University: University of Amsterdam

Program: BSc Psychology

Cost: \$14,000 USD per year

Duration: 3 years

Keywords: Netherlands, Psychology, Amsterdam, English, Research

Notes: Taught in English. Excellent value.

Country: Singapore

Category: Core Fields (Psychology)

University: National University of Singapore (NUS)

Program: BA (Hons) Psychology

Cost: \$26,000 USD per year

Duration: 4 years

Keywords: Singapore, Psychology, NUS, Asia, Research

Notes: Top Asian psychology program.

Country: New Zealand

Category: Core Fields (Psychology)

University: University of Auckland

Program: BSc Psychology

Cost: \$26,000 USD per year (\$42k NZD)

Duration: 3 years

Keywords: New Zealand, Psychology, Auckland, Research

Notes: Largest psychology department in NZ.

Finance & Data - Statistics / Data Science

Country: United Kingdom

Category: Finance & Data (Statistics)

University: London School of Economics (LSE)

Program: BSc Statistics

Cost: \$32,000 USD per year (£25,392)

Duration: 3 years

Keywords: UK, Statistics, LSE, London, Data, Economics

Notes: World-leading statistics program.

Country: United States

Category: Finance & Data (Statistics)

University: Stanford University

Program: BS Statistics / Data Science

Cost: \$62,000 USD per year

Duration: 4 years

Keywords: US, USA, Statistics, Data Science, Stanford, Silicon Valley

Notes: Top tier. Very competitive admission.

Country: Australia

Category: Finance & Data (Statistics)

University: Australian National University (ANU)

Program: Bachelor of Statistics

Cost: \$35,000 USD per year

Duration: 3 years

Keywords: Australia, Statistics, Canberra, ANU, Data

Notes: Top research university in Australia.

Country: Canada

Category: Finance & Data (Statistics)

University: University of Toronto

Program: BSc Statistics

Cost: \$50,000 USD per year (\$70k CAD)

Duration: 4 years

Keywords: Canada, Statistics, Toronto, Data Science, Analytics

Notes: Strong data science focus. High international fees.

Country: Ireland

Category: Finance & Data (Statistics)

University: Trinity College Dublin

Program: BA Mathematics (Statistics pathway)

Cost: \$23,000 USD per year

Duration: 4 years

Keywords: Ireland, Statistics, Dublin, Trinity, Mathematics

Notes: Prestigious institution. Central Dublin location.

Law

Country: United Kingdom

Category: Core Fields (Law)

University: King's College London (KCL)

Program: LLB Law

Cost: \$32,000 USD per year (£25,260)

Duration: 3 years

Keywords: UK, Law, LLB, London, Legal, KCL

Notes: Top London law school. Bar/Solicitor pathway.

Country: Australia

Category: Core Fields (Law)

University: University of Melbourne

Program: Juris Doctor (JD) - via any Bachelor

Cost: \$45,000 USD per year

Duration: 3 years (postgraduate)

Keywords: Australia, Law, Melbourne, JD, Legal

Notes: Australia usually requires JD (graduate-entry law degree).

Country: Australia

Category: Core Fields (Law)

University: University of New South Wales (UNSW)

Program: Bachelor of Laws (LLB)

Cost: \$38,000 USD per year

Duration: 5 years (often combined)

Keywords: Australia, Law, Sydney, LLB, Legal

Notes: Often combined with another degree (e.g., BA/LLB).

Country: Canada

Category: Core Fields (Law)

University: University of British Columbia (UBC)

Program: JD (Juris Doctor) - requires bachelor degree

Cost: \$37,000 USD per year (\$52k CAD)

Duration: 3 years (postgraduate)

Keywords: Canada, Law, Vancouver, JD, Legal

Notes: Canadian law schools require prior bachelor degree.

Country: Ireland

Category: Core Fields (Law)

University: University College Cork (UCC)

Program: BCL (Bachelor of Civil Law)

Cost: \$17,000 USD per year

Duration: 4 years

Keywords: Ireland, Law, Cork, BCL, Legal

Notes: Irish law degree. Solicitor/Barrister pathway.

Country: Singapore

Category: Core Fields (Law)

University: National University of Singapore (NUS)

Program: LLB Law (Honours)

Cost: \$28,000 USD per year

Duration: 4 years

Keywords: Singapore, Law, NUS, Legal, Asia

Notes: Top Asian law school. Singapore Bar admission pathway.

Country: Malaysia

Category: Core Fields (Law)

University: University of Malaya (UM)

Program: LLB (Hons) Law

Cost: \$5,000 USD per year

Duration: 4 years

Keywords: Malaysia, Law, LLB, Kuala Lumpur, Affordable

Notes: Malaysia's oldest and top-ranked university. Very affordable.

Music

Country: United Kingdom

Category: Core Fields (Music)

University: Royal Academy of Music (University of London)

Program: BMus Music

Cost: \$35,000 USD per year (£27,750)

Duration: 4 years

Keywords: UK, Music, BMus, London, Performance, Conservatoire

Notes: World-leading conservatoire. Highly selective.

Country: United States

Category: Core Fields (Music)

University: Berklee College of Music

Program: BM Music (Performance/Production)

Cost: \$50,000 USD per year

Duration: 4 years

Keywords: US, USA, Music, Berklee, Boston, Jazz, Contemporary

Notes: Leading contemporary music college. Industry connections.

Country: Australia

Category: Core Fields (Music)

University: Sydney Conservatorium of Music (University of Sydney)

Program: Bachelor of Music

Cost: \$32,000 USD per year

Duration: 4 years

Keywords: Australia, Music, Sydney, Performance, Classical

Notes: Australia's oldest music conservatorium.

Country: Canada

Category: Core Fields (Music)

University: University of Toronto (Faculty of Music)

Program: BMus Music Performance

Cost: \$45,000 USD per year (\$63k CAD)

Duration: 4 years

Keywords: Canada, Music, Toronto, Performance, Classical

Notes: One of Canada's top music programs.

Country: Netherlands

Category: Core Fields (Music)

University: Royal Conservatoire The Hague

Program: Bachelor of Music

Cost: \$12,000 USD per year

Duration: 4 years

Keywords: Netherlands, Music, The Hague, Classical, Jazz

Notes: World-renowned for early music and jazz.

Country: Ireland

Category: Core Fields (Music)

University: Royal Irish Academy of Music (RIAM)

Program: BMus Music Performance

Cost: \$16,000 USD per year

Duration: 4 years

Keywords: Ireland, Music, Dublin, Performance, RIAM

Notes: Validated by Trinity College Dublin.

Arts & Design (Expansion)

Country: United Kingdom

Category: Core Fields (Arts)

University: Goldsmiths, University of London

Program: BA Fine Art

Cost: \$26,000 USD per year (£20,600)

Duration: 3 years

Keywords: UK, Arts, Fine Art, London, Creative, Goldsmiths

Notes: World-renowned for contemporary art. Creative focus.

Country: United States

Category: Core Fields (Arts)

University: Rhode Island School of Design (RISD)

Program: BFA (Various specializations)

Cost: \$58,000 USD per year

Duration: 4 years

Keywords: US, USA, Arts, Design, RISD, Fine Art, Rhode Island

Notes: Top US art school. Very selective.

Country: Australia

Category: Core Fields (Arts)

University: Queensland College of Art (Griffith University)

Program: Bachelor of Fine Art

Cost: \$26,000 USD per year

Duration: 3 years

Keywords: Australia, Arts, Fine Art, Brisbane, QCA

Notes: Strong contemporary art program.

Country: Netherlands

Category: Core Fields (Arts)

University: Gerrit Rietveld Academie

Program: Bachelor of Fine Arts

Cost: \$12,000 USD per year

Duration: 4 years

Keywords: Netherlands, Arts, Amsterdam, Fine Art, Design

Notes: Experimental approach to art education.

Country: Germany

Category: Core Fields (Arts)

University: Berlin University of the Arts (UdK)

Program: BA Fine Arts

Cost: \$800 USD per year (Semester contribution)

Duration: 4 years

Keywords: Germany, Arts, Berlin, Fine Art, Affordable

Notes: Public art university. Minimal tuition fees.

Country: Singapore

Category: Core Fields (Arts)

University: Nanyang Academy of Fine Arts (NAFA)

Program: BA (Hons) Fine Art

Cost: \$15,000 USD per year

Duration: 3 years

Keywords: Singapore, Arts, Fine Art, NAFA, Asia

Notes: Validated by UK university. Asian art focus.

Education - Early Childhood (Expansion)

Country: United Kingdom

Category: Education (Early Childhood)

University: University of Sheffield

Program: BA Early Childhood Studies

Cost: \$26,000 USD per year (£20,600)

Duration: 3 years

Keywords: UK, Education, Early Childhood, Sheffield, Teaching

Notes: Focus on 0-7 years education.

Country: Australia

Category: Education (Early Childhood)

University: Macquarie University

Program: Bachelor of Early Childhood Education

Cost: \$26,000 USD per year

Duration: 4 years

Keywords: Australia, Education, Early Childhood, Sydney, Teaching

Notes: ACECQA approved. Birth to 5 years specialization.

Country: New Zealand

Category: Education (Early Childhood)

University: University of Canterbury

Program: Bachelor of Teaching and Learning (ECE)

Cost: \$22,000 USD per year (\$36k NZD)

Duration: 3 years

Keywords: New Zealand, Education, Early Childhood, Christchurch

Notes: Teaching Council NZ approved.

Country: Ireland

Category: Education (Early Childhood)

University: Marino Institute of Education

Program: BA Early Childhood Education

Cost: \$14,000 USD per year

Duration: 3 years

Keywords: Ireland, Education, Early Childhood, Dublin, Teaching

Notes: Affiliated with Trinity College Dublin.

Hospitality & Tourism (Expansion)

Country: Switzerland

Category: Hospitality & Tourism

University: Glion Institute of Higher Education

Program: Bachelor of Hospitality Management

Cost: \$32,000 USD per year (CHF 29,500)

Duration: 3.5 years

Keywords: Switzerland, Hospitality, Hotel, Management, Luxury

Notes: World leader in hospitality education. High placement rates.

Country: Australia

Category: Hospitality & Tourism

University: Griffith University

Program: Bachelor of International Tourism and Hotel Management

Cost: \$26,000 USD per year

Duration: 3 years

Keywords: Australia, Hospitality, Tourism, Gold Coast, Management

Notes: Located in major tourist destination.

Country: Malaysia

Category: Hospitality & Tourism

University: Taylor's University

Program: Bachelor of International Hospitality Management

Cost: \$8,000 USD per year

Duration: 3 years

Keywords: Malaysia, Hospitality, Tourism, Kuala Lumpur, Affordable

Notes: Asia Pacific Ranking 1. Very affordable.

Country: Netherlands

Category: Hospitality & Tourism

University: Breda University of Applied Sciences

Program: BSc International Hotel Management

Cost: \$11,000 USD per year

Duration: 4 years

Keywords: Netherlands, Hospitality, Hotel, Breda, Applied Sciences

Notes: Practical focus with industry placements.

Core Engineering Fields (Expansion)

Country: United Kingdom

Category: Core Fields (Engineering - Electrical)

University: University of Southampton

Program: BEng Electrical Engineering

Cost: \$30,000 USD per year (£23,700)

Duration: 3 years

Keywords: UK, Engineering, Electrical, Southampton, Russell Group

Notes: IET accredited. Strong research focus.

Country: United States

Category: Core Fields (Engineering - Mechanical)

University: Georgia Institute of Technology

Program: BS Mechanical Engineering

Cost: \$33,000 USD per year

Duration: 4 years

Keywords: US, USA, Engineering, Mechanical, Georgia Tech, ABET

Notes: Top engineering school. ABET accredited.

Country: Germany

Category: Core Fields (Engineering - Mechanical)

University: RWTH Aachen University

Program: BSc Mechanical Engineering

Cost: \$800 USD per year (Semester contribution)

Duration: 3 years

Keywords: Germany, Engineering, Mechanical, Aachen, Affordable, TU9

Notes: Germany's leading engineering university. Minimal fees.

Country: Singapore

Category: Core Fields (Engineering - Civil)

University: Nanyang Technological University (NTU)

Program: BEng Civil Engineering

Cost: \$25,000 USD per year

Duration: 4 years

Keywords: Singapore, Engineering, Civil, NTU, Asia, Infrastructure

Notes: Strong focus on sustainable infrastructure.

Country: Canada

Category: Core Fields (Engineering - Civil)

University: University of Toronto

Program: BASc Civil Engineering

Cost: \$55,000 USD per year (\$77k CAD)

Duration: 4 years

Keywords: Canada, Engineering, Civil, Toronto, CEAB

Notes: CEAB accredited. Co-op opportunities available.

Architecture (Expansion)

Country: United Kingdom

Category: Core Fields (Architecture)

University: University of Cambridge

Program: BA Architecture

Cost: \$35,000 USD per year (£27,750)

Duration: 3 years

Keywords: UK, Architecture, Cambridge, Design, RIBA

Notes: RIBA Part 1 validation. Further study required for full qualification.

Country: United States

Category: Core Fields (Architecture)

University: Massachusetts Institute of Technology (MIT)

Program: Bachelor of Science in Architecture

Cost: \$60,000 USD per year

Duration: 4 years

Keywords: US, USA, Architecture, MIT, Design, Engineering

Notes: Combines architecture with engineering. Pre-professional degree.

Country: Australia

Category: Core Fields (Architecture)

University: University of Sydney

Program: Bachelor of Design in Architecture

Cost: \$38,000 USD per year

Duration: 3 years

Keywords: Australia, Architecture, Sydney, Design

Notes: Part of 3+2 architecture pathway (Bachelor + Master).

Country: Netherlands

Category: Core Fields (Architecture)

University: Delft University of Technology

Program: BSc Architecture, Urbanism and Building Sciences

Cost: \$14,000 USD per year

Duration: 3 years

Keywords: Netherlands, Architecture, Delft, Urban Design, English

Notes: Top European architecture program. Taught in English.

Business / Management (Expansion)

Country: United Kingdom

Category: Core Fields (Business)

University: University of Warwick

Program: BSc Management

Cost: \$32,000 USD per year (£25,260)

Duration: 3 years

Keywords: UK, Business, Management, Warwick, Triple Crown

Notes: Triple Crown accredited (AMBA, EQUIS, AACSB).

Country: United States

Category: Core Fields (Business)

University: University of Pennsylvania (Wharton)

Program: BS Economics (Concentration in Business)

Cost: \$66,000 USD per year

Duration: 4 years

Keywords: US, USA, Business, Wharton, Ivy League, Finance

Notes: Top undergraduate business program globally. Very selective.

Country: Singapore

Category: Core Fields (Business)

University: Singapore Management University (SMU)

Program: Bachelor of Business Management

Cost: \$28,000 USD per year

Duration: 4 years

Keywords: Singapore, Business, Management, SMU, Asia

Notes: City campus. Strong regional business connections.

Country: Canada

Category: Core Fields (Business)

University: Western University (Ivey)

Program: Honours Business Administration (HBA)

Cost: \$45,000 USD per year (\$63k CAD)

Duration: 2+2 years (2 years general, 2 years Ivey)

Cost: \$32,000 USD per year (\$45k CAD)

Duration: 4 years

Keywords: Canada, Business, London ON, Ivey, Case Method

Notes: Ivey uses Harvard case method. Prestigious Canadian program.

Computer Science / IT (Expansion)

Country: United States

Category: Core Fields (Computer Science)

University: Carnegie Mellon University

Program: BS Computer Science

Cost: \$63,000 USD per year

Duration: 4 years

Keywords: US, USA, Computer Science, CMU, Pittsburgh, AI

Notes: Top CS program worldwide. Leader in AI research.

Country: Canada

Category: Core Fields (Computer Science)

University: University of Waterloo

Program: BCS Computer Science

Cost: \$48,000 USD per year (\$67k CAD)

Duration: 5 years (Co-op)

Keywords: Canada, Computer Science, Waterloo, Co-op, Tech

Notes: Renowned co-op program. Silicon Valley North.

Country: Ireland

Category: Core Fields (Computer Science)

University: Trinity College Dublin

Program: BA Computer Science

Cost: \$23,000 USD per year

Duration: 4 years

Keywords: Ireland, Computer Science, Dublin, Trinity, Tech

Notes: Ireland's top CS program. Strong tech industry links.

Medicine (Expansion)

Country: Ireland

Category: Core Fields (Medicine)

University: Royal College of Surgeons in Ireland (RCSI)

Program: MB BCh BAO Medicine

Cost: \$60,000 USD per year

Duration: 6 years (direct entry) or 5 years (graduate entry)

Keywords: Ireland, Medicine, Doctor, Clinical, RCSI

Notes: Direct entry medicine from secondary school. Highly prestigious.

Country: Australia

Category: Core Fields (Medicine)

University: Monash University

Program: MBBS Medicine

Cost: \$73,000 USD per year

Duration: 5 years

Keywords: Australia, Medicine, Doctor, Melbourne, Clinical

Notes: 5-year direct entry program. Very competitive.

Country: Malaysia

Category: Core Fields (Medicine)

University: International Medical University (IMU)

Program: MBBS Medicine

Cost: \$18,000 USD per year

Duration: 5 years

Keywords: Malaysia, Medicine, Doctor, Clinical, Affordable

Notes: Most affordable international medical program. Twinning options available.

Culinary Arts & Hospitality Management (Expansion)

Country: United States

Category: Hospitality & Tourism (Culinary Arts)

University: Culinary Institute of America (CIA)

Program: Assoc Degree Culinary Arts / Baking & Pastry

Cost: \$33,000 USD per year

Duration: 2 years (Associate)

Keywords: US, USA, Culinary, Chef, CIA, New York

Notes: World-renowned culinary school. Campuses in NY, CA, TX, Singapore.

Country: United States

Category: Hospitality & Tourism (Culinary Arts)

University: Institute of Culinary Education (ICE)

Program: Diploma/Degree Culinary Arts

Cost: \$14,500-\$26,000 USD per year

Duration: 1-2 years

Keywords: US, USA, Culinary, NYC, Los Angeles, Professional

Notes: NYC and LA campuses. Includes uniforms, books, tools.

Country: United States

Category: Hospitality & Tourism (Culinary Arts)

University: Butler Community College

Program: Associate Degree Culinary Arts

Cost: \$5,700 USD per year

Duration: 2 years

Keywords: US, USA, Culinary, Community College, Very Affordable

Notes: Very affordable culinary option. Kansas location.

Country: United States

Category: Hospitality & Tourism (Culinary Arts)

University: Florida International University (FIU)

Program: BS Restaurant & Culinary Management

Cost: \$19,000 USD per year

Duration: 4 years

Keywords: US, USA, Culinary, Florida, Chaplin School, Hospitality

Notes: Among lowest nationally for public colleges.

Country: United States

Category: Hospitality & Tourism (Hospitality Management)

University: Cornell University

Program: MMH Master of Management in Hospitality

Cost: \$35,633 USD per semester

Duration: 3 semesters (Master's)

Keywords: US, USA, Hospitality, Cornell, Ivy League, Management

Notes: Top-ranked hospitality program. Graduate-level.

Country: United States

Category: Hospitality & Tourism (Hospitality Management)

University: Purdue University

Program: MS Hospitality and Tourism Management (Online)

Cost: \$25,314 USD total (30 credits)

Duration: 18-24 months (Master's)

Keywords: US, USA, Hospitality, Purdue, Online, Flexible

Notes: Online Master's. Good value for money.

Country: Switzerland

Category: Hospitality & Tourism

University: Glion Institute of Higher Education

Program: Bachelor in Hospitality Management

Cost: \$32,000 USD per year (CHF 29,500)

Duration: 3.5 years

Keywords: Switzerland, Hospitality, Luxury, Management, Glion

Notes: World leader in hospitality. High placement rates.

Country: Singapore

Category: Hospitality & Tourism

University: Various Management Institutes

Program: Hospitality Management Programs

Cost: \$10,000-\$25,000 USD per year

Duration: 3-4 years

Keywords: Singapore, Hospitality, Asia, Tourism, Management

Notes: Hub for hospitality in Asia.

Country: Canada

Category: Hospitality & Tourism

University: Various Canadian Institutions

Program: Hospitality Management Programs

Cost: \$12,000-\$25,000 USD per year (\$17k-35k CAD)

Duration: 3-4 years

Keywords: Canada, Hospitality, Tourism, Hotel, Management

Notes: Ranges across provinces.

Country: Spain

Category: Hospitality & Tourism

University: UCAM University

Program: Master's in Hospitality Management

Cost: \$7,900 USD per year (€7,000)

Duration: 1 year (Master's)

Keywords: Spain, Hospitality, Europe, Affordable, Management

Notes: Affordable European hospitality master's.

Country: Spain

Category: Hospitality & Tourism

University: EU Business School

Program: Master in Tourism & Hospitality Management

Cost: \$5,400 USD per semester (€4,750)

Duration: 1 year (Master's)

Keywords: Spain, Hospitality, Tourism, MBA, Europe

Notes: Business-focused hospitality program.

Graphic Design (Comprehensive)

Country: United States

Category: Core Fields (Arts - Graphic Design)

University: Massachusetts College of Art and Design (MassArt)

Program: BFA Graphic Design

Cost: \$35,000 USD per year (out-of-state)

Duration: 4 years

Keywords: US, USA, Graphic Design, Boston, Public Art School

Notes: Only public art school in USA. More affordable option.

Country: United States

Category: Core Fields (Arts - Graphic Design)

University: University of Illinois at Chicago

Program: Bachelor of Design in Graphic Design

Cost: \$33,344 USD per year (out-of-state)

Duration: 4 years

Keywords: US, USA, Graphic Design, Chicago, UIC, Design

Notes: Strong design program. Urban campus.

Country: United States

Category: Core Fields (Arts - Graphic Design)

University: Arkansas State University

Program: BS Digital Technology and Design (Graphic Communications)

Cost: \$16,000 USD per year (out-of-state)

Duration: 4 years

Keywords: US, USA, Graphic Design, Arkansas, Affordable

Notes: Very affordable for out-of-state students.

Country: Canada

Category: Core Fields (Arts - Graphic Design)

University: Capilano University

Program: B.Des Visual Communication

Cost: \$9,600 USD per year (CAD 12,866)

Duration: 4 years

Keywords: Canada, Graphic Design, Vancouver, Visual Communication

Notes: Most affordable graphic design in Canada.

Country: Canada

Category: Core Fields (Arts - Graphic Design)

University: Emily Carr University of Art + Design

Program: B.Des Communication Design

Cost: \$14,000 USD per year (CAD 19,385)

Duration: 4 years

Keywords: Canada, Graphic Design, Vancouver, Communication

Notes: Renowned art and design university.

Country: Canada

Category: Core Fields (Arts - Graphic Design)

University: Seneca Polytechnic

Program: Diploma Graphic Design

Cost: \$7,100 USD per semester (CAD 9,533)

Duration: 3 years

Keywords: Canada, Graphic Design, Toronto, Polytechnic

Notes: Practical diploma program.

Country: United Kingdom

Category: Core Fields (Arts - Graphic Design)

University: Nottingham Trent University

Program: BA/MA Graphic Design / Graphic Communication

Cost: \$18,700 USD per year (£18,700)

Duration: 3 years (BA) / 1 year (MA)

Keywords: UK, Graphic Design, Nottingham, Communication

Notes: School of Art & Design. 2026 entry fees.

Country: United Kingdom

Category: Core Fields (Arts - Graphic Design)

University: Anglia Ruskin University

Program: BA Graphic Design

Cost: \$17,000 USD per year

Duration: 3 years

Keywords: UK, Graphic Design, Cambridge, Scholarships

Notes: Lower fees. International scholarships available.

Country: Germany

Category: Core Fields (Arts - Graphic Design)

University: Berlin University of the Arts (UdK)

Program: BA Communication Design

Cost: FREE (Semester contribution \$350)

Duration: 4 years

Keywords: Germany, Graphic Design, Berlin, FREE, Public

Notes: Tuition-free for all students. Top German art school.

Country: Germany

Category: Core Fields (Arts - Graphic Design)

University: Kassel Art Academy

Program: BA Visual Communication

Cost: FREE (Semester contribution only)

Duration: 3-4 years

Keywords: Germany, Graphic Design, FREE, Art Academy

Notes: Tuition-free for international students.

Country: Netherlands

Category: Core Fields (Arts - Graphic Design)

University: Design Academy Eindhoven

Program: BA Graphic Design

Cost: \$2,600 USD per year (EU) / \$12,000 USD (non-EU)

Duration: 4 years

Keywords: Netherlands, Graphic Design, Eindhoven, Design

Notes: Renowned design academy.

Country: Italy

Category: Core Fields (Arts - Graphic Design)

University: Politecnico di Milano

Program: BSc Communication Design

Cost: \$900-2,000 USD per year (EU) / \$5,000 USD (non-EU)

Duration: 3 years

Keywords: Italy, Graphic Design, Milan, Affordable, Design

Notes: Top design institution. Very affordable.

Country: Spain

Category: Core Fields (Arts - Graphic Design)

University: Universitat Autònoma de Barcelona

Program: BA Graphic Design

Cost: \$1,200 USD per year (€1,080)

Duration: 4 years

Keywords: Spain, Graphic Design, Barcelona, Affordable

Notes: Public university. Very low tuition.

Country: Austria

Category: Core Fields (Arts - Graphic Design)

University: University of Applied Arts Vienna

Program: BA Visual Communication

Cost: \$800 USD per year (€728)

Duration: 3-4 years

Keywords: Austria, Graphic Design, Vienna, Affordable

Notes: Minimal tuition for all students.

Music Production & Audio Engineering (Expansion)

Country: United States

Category: Core Fields (Music - Production)

University: Berklee College of Music

Program: BM Music Production and Engineering

Cost: \$50,000 USD per year

Duration: 4 years

Keywords: US, USA, Music Production, Berklee, Boston, Audio

Notes: World's top contemporary music college.

Country: United States

Category: Core Fields (Music - Production)

University: New York University (NYU) Steinhardt

Program: BM/MM Music Technology

Cost: \$62,000 USD per year

Duration: 4 years (BM) / 2 years (MM)

Keywords: US, USA, Music Technology, NYC, Audio, Production

Notes: Professional studios in NYC. Extensive networking.

Country: United States

Category: Core Fields (Music - Production)

University: USC Thornton School of Music

Program: BM Music Production / Music Industry

Cost: \$68,000 USD per year

Duration: 4 years

Keywords: US, USA, Music Production, Los Angeles, USC

Notes: Located in LA. Industry connections.

Country: United States

Category: Core Fields (Music - Production)

University: Full Sail University

Program: BS Audio Production

Cost: \$35,000 USD per year

Duration: 20-29 months (accelerated)

Keywords: US, USA, Audio, Florida, Accelerated, Production

Notes: Intensive accelerated program. Hands-on training.

Country: United States

Category: Core Fields (Music - Production)

University: University of Miami - Frost School of Music

Program: BM Music Engineering Technology

Cost: \$58,000 USD per year

Duration: 4 years

Keywords: US, USA, Audio Engineering, Miami, Music

Notes: First recording engineering degree in US.

Country: United States

Category: Core Fields (Music - Production)

University: Middle Tennessee State University (MTSU)

Program: BS Recording Arts and Technologies

Cost: \$27,000 USD per year (out-of-state)

Duration: 4 years

Keywords: US, USA, Audio, Nashville, Recording, Production

Notes: Graduates on gold/platinum recordings.

Country: United States

Category: Core Fields (Music - Production)

University: Atlanta Institute of Music and Media (AIMM)

Program: Associate Degree Music Production

Cost: \$20,000 USD per year

Duration: 2 years

Keywords: US, USA, Music Production, Atlanta, Audio

Notes: On-campus and online options available.

Country: United Kingdom

Category: Core Fields (Music - Production)

University: Leeds Conservatoire

Program: BA (Hons) Music Production

Cost: \$21,000 USD per year (£15,500-16,500)

Duration: 3 years

Keywords: UK, Music Production, Leeds, Industry, Audio

Notes: Industry-standard software. UK music connections.

Country: United Kingdom

Category: Core Fields (Music - Production)

University: York St John University

Program: BA (Hons) Music Production

Cost: \$16,200 USD per year (£12,100)

Duration: 3 years

Keywords: UK, Music Production, York, Affordable, Audio

Notes: Hands-on practical work focus.

Country: United Kingdom

Category: Core Fields (Music - Production)

University: London Metropolitan University

Program: BSc Music Technology and Production

Cost: \$18,500 USD per year

Duration: 3 years

Keywords: UK, Music Technology, London, Audio, Production

Notes: Creative and technical skills focus.

Country: Canada

Category: Core Fields (Music - Production)

University: Metalworks Institute / OIART

Program: Diploma Audio Production

Cost: \$15,000 USD per year (CAD 20k)

Duration: 1-2 years

Keywords: Canada, Audio Production, Recording, Intensive

Notes: Intensive audio production training.

Cybersecurity & Information Security

Country: United States

Category: Core Fields (Computer Science - Cybersecurity)

University: Carnegie Mellon University

Program: BS Computer Science (Cybersecurity track)

Cost: \$63,000 USD per year

Duration: 4 years

Keywords: US, USA, Cybersecurity, CMU, Pittsburgh, InfoSec

Notes: Top-ranked cybersecurity program globally.

Country: United States

Category: Core Fields (Computer Science - Cybersecurity)

University: University of California, Berkeley

Program: BS Computer Science (Security emphasis)

Cost: \$46,000 USD per year

Duration: 4 years

Keywords: US, USA, Cybersecurity, California, UC Berkeley

Notes: World-class CS program with security focus.

Country: United States

Category: Core Fields (Computer Science - Cybersecurity)

University: Georgia Institute of Technology

Program: BS Cybersecurity

Cost: \$33,000 USD per year (out-of-state)

Duration: 4 years

Keywords: US, USA, Cybersecurity, Georgia Tech, ABET

Notes: Top technical university. ABET accredited.

Country: United States

Category: Core Fields (Computer Science - Cybersecurity)

University: West Virginia University

Program: BS Cybersecurity

Cost: \$27,000 USD per year (out-of-state)

Duration: 4 years

Keywords: US, USA, Cybersecurity, Affordable, InfoSec

Notes: Dedicated cybersecurity bachelor's degree.

Country: United States

Category: Core Fields (Computer Science - Cybersecurity)

University: University of Central Florida (UCF)

Program: BS Cybersecurity

Cost: \$22,000 USD per year

Duration: 4 years

Keywords: US, USA, Cybersecurity, Florida, Affordable

Notes: Strong cyber program. Good value.

Country: United Kingdom

Category: Core Fields (Computer Science - Cybersecurity)

University: Imperial College London

Program: MEng Computing (Security specialization)

Cost: \$42,000 USD per year (£33,250)

Duration: 4 years

Keywords: UK, Cybersecurity, Imperial, London, Research

Notes: Top-tier research university.

Country: United Kingdom

Category: Core Fields (Computer Science - Cybersecurity)

University: University of Oxford

Program: BA/MSci Computer Science (Security track)

Cost: \$44,000 USD per year (£35,080)

Duration: 3-4 years

Keywords: UK, Cybersecurity, Oxford, Elite, InfoSec

Notes: World-leading university. Very selective.

Country: United Kingdom

Category: Core Fields (Computer Science - Cybersecurity)

University: Kingston University London

Program: BSc (Hons) Cyber Security & Digital Forensics

Cost: \$18,500 USD per year

Duration: 3 years

Keywords: UK, Cybersecurity, London, Forensics, Affordable

Notes: More affordable London option.

Country: Australia

Category: Core Fields (Computer Science - Cybersecurity)

University: Victoria University

Program: Bachelor of Cyber Security

Cost: \$26,000 USD per year

Duration: 3 years

Keywords: Australia, Cybersecurity, Melbourne, InfoSec

Notes: AIMS-accredited cybersecurity program.

Country: Australia

Category: Core Fields (Computer Science - Cybersecurity)

University: TAFE NSW

Program: Bachelor of IT (Cyber and Network Security)

Cost: \$22,000 USD per year

Duration: 3 years

Keywords: Australia, Cybersecurity, Vocational, Practical

Notes: Hands-on vocational training.

Country: Canada

Category: Core Fields (Computer Science - Cybersecurity)

University: University of Waterloo

Program: BCS Computer Science (Security specialization)

Cost: \$48,000 USD per year (\$67k CAD)

Duration: 5 years (Co-op)

Keywords: Canada, Cybersecurity, Waterloo, Co-op, Tech

Notes: Top Canadian CS program. Co-op included.

Country: Canada

Category: Core Fields (Computer Science - Cybersecurity)

University: University of Toronto

Program: BSc Computer Science (Security stream)

Cost: \$55,000 USD per year (\$77k CAD)

Duration: 4 years

Keywords: Canada, Cybersecurity, Toronto, Research

Notes: Top research university.

Country: Singapore

Category: Core Fields (Computer Science - Cybersecurity)

University: National University of Singapore (NUS)

Program: BSc Computer Science (Cybersecurity focus)

Cost: \$27,000 USD per year

Duration: 4 years

Keywords: Singapore, Cybersecurity, NUS, Asia, InfoSec

Notes: Top Asian university. Security research focus.

Country: Germany

Category: Core Fields (Computer Science - Cybersecurity)

University: IU International University of Applied Sciences

Program: BSc Cyber Security

Cost: \$10,000 USD per year (online)

Duration: 3 years

Keywords: Germany, Cybersecurity, Online, Flexible, Applied

Notes: Online option. Applied sciences focus.

Country: Switzerland

Category: Core Fields (Computer Science - Cybersecurity)

University: ETH Zurich

Program: BSc Computer Science (Security track)

Cost: \$800 USD per year (CHF 730/semester)

Duration: 3 years

Keywords: Switzerland, Cybersecurity, ETH, Research, Affordable

Notes: World-leading technical university. Minimal fees.

Data Science & Artificial Intelligence

Country: United States

Category: Core Fields (Computer Science - AI/Data Science)

University: Stanford University

Program: BS Computer Science (AI track)

Cost: \$62,000 USD per year

Duration: 4 years

Keywords: US, USA, AI, Data Science, Stanford, Silicon Valley

Notes: Top AI program globally. Located in Silicon Valley.

Country: United States

Category: Core Fields (Computer Science - AI/Data Science)

University: Massachusetts Institute of Technology (MIT)

Program: BS Computer Science and Engineering (AI concentration)

Cost: \$59,120 USD per year

Duration: 4 years

Keywords: US, USA, AI, MIT, Machine Learning, Research

Notes: World-leading AI research. Very selective.

Country: United States

Category: Core Fields (Computer Science - AI/Data Science)

University: Carnegie Mellon University (CMU)

Program: BS Artificial Intelligence / BS Computer Science

Cost: \$63,000 USD per year

Duration: 4 years

Keywords: US, USA, AI, CMU, Machine Learning, Robotics

Notes: First dedicated AI undergrad program. Top robotics.

Country: United States

Category: Core Fields (Computer Science - AI/Data Science)

University: University of California, Berkeley

Program: BS Data Science / BS EECS (AI emphasis)

Cost: \$46,074 USD per year (out-of-state)

Duration: 4 years

Keywords: US, USA, Data Science, AI, UC Berkeley, California

Notes: Leading data science program. Strong AI research.

Country: Germany

Category: Core Fields (Computer Science - AI/Data Science)

University: Technical University of Munich (TUM)

Program: BSc Informatics (AI/Data Science track)

Cost: \$2,000-3,000 USD per semester

Duration: 3 years

Keywords: Germany, AI, Data Science, TUM, Munich

Notes: New tuition for non-EU students from 2024/25.

Country: Germany

Category: Core Fields (Computer Science - AI/Data Science)

University: Saarland University

Program: BSc Computer Science (AI/Data Science)

Cost: FREE (Semester fee \$350)

Duration: 3 years

Keywords: Germany, AI, Data Science, FREE, Research

Notes: NO tuition fees. World-class AI research.

Country: Germany

Category: Core Fields (Computer Science - AI/Data Science)

University: RWTH Aachen University

Program: BSc Computer Science (AI track)

Cost: FREE (Semester fee \$350)

Duration: 3 years

Keywords: Germany, AI, Aachen, FREE, TU9

Notes: Top German technical university. No tuition.

Country: Netherlands

Category: Core Fields (Computer Science - AI/Data Science)

University: Maastricht University

Program: BSc Data Science and Artificial Intelligence

Cost: \$18,300 USD per year (non-EU)

Duration: 3 years

Keywords: Netherlands, Data Science, AI, Maastricht, English

Notes: Full English-taught AI program.

Country: Netherlands

Category: Core Fields (Computer Science - AI/Data Science)

University: Leiden University

Program: BSc Data Science and Artificial Intelligence

Cost: \$14,000 USD per year (non-EU)

Duration: 3 years

Keywords: Netherlands, Data Science, AI, Leiden, Research

Notes: Research-intensive program.

Country: Netherlands

Category: Core Fields (Computer Science - AI/Data Science)

University: Breda University of Applied Sciences

Program: BSc Applied Data Science & AI

Cost: \$14,250 USD per year (non-EU)

Duration: 4 years

Keywords: Netherlands, Data Science, AI, Applied, Breda

Notes: Applied sciences focus. Practical training.

Country: Switzerland

Category: Core Fields (Computer Science - AI/Data Science)

University: ETH Zurich

Program: BSc Computer Science / Data Science

Cost: \$800 USD per year (CHF 730/semester)

Duration: 3 years

Keywords: Switzerland, Data Science, AI, ETH, Research

Notes: World-class technical university. Minimal fees.

Country: Singapore

Category: Core Fields (Computer Science - AI/Data Science)

University: National University of Singapore (NUS)

Program: BSc Computer Science (AI/Data Science specialization)

Cost: \$17,950-39,200 USD per year

Duration: 4 years

Keywords: Singapore, AI, Data Science, NUS, Asia

Notes: Top Asian university. Wide fee range based on subsidy.

Country: United Kingdom

Category: Core Fields (Computer Science - AI/Data Science)

University: University of Cambridge

Program: BA/MEng Computer Science (Machine Learning)

Cost: \$44,000 USD per year (£35,080)

Duration: 3-4 years

Keywords: UK, AI, Machine Learning, Cambridge, Elite

Notes: World-leading university. Very selective.

Country: Spain

Category: Core Fields (Computer Science - AI)

University: Universitat Autònoma de Barcelona

Program: Bachelor's in Artificial Intelligence

Cost: \$1,200 USD per year (€1,080)

Duration: 4 years

Keywords: Spain, AI, Barcelona, Very Affordable, Public

Notes: Public university. Extremely low tuition.

Country: Italy

Category: Core Fields (Computer Science - AI)

University: University of Pavia

Program: BSc Artificial Intelligence

Cost: \$170 USD per year (€156)

Duration: 3 years

Keywords: Italy, AI, Pavia, Extremely Affordable

Notes: Extremely low tuition for all students.

Country: Austria

Category: Core Fields (Computer Science - AI)

University: University of Applied Sciences Upper Austria

Program: BSc Artificial Intelligence Solutions

Cost: \$800 USD per year (€728)

Duration: 3 years

Keywords: Austria, AI, Affordable, Applied Sciences

Notes: Applied AI program. Very affordable.

MAJOR SCHOLARSHIPS FOR INTERNATIONAL STUDENTS

United Kingdom Scholarships

Scholarship: Commonwealth Scholarships

Offered By: UK Government

Eligibility: Students from Commonwealth countries

Amount: Full tuition + Living allowance + Airfare

Level: Master's/PhD (primarily)

Notes: Fully funded. Must return to home country after studies.

Scholarship: GREAT Scholarships

Offered By: British Council + UK Universities

Eligibility: Students from selected countries

Amount: Minimum £10,000

Level: Bachelor's + Master's

Notes: Multiple scholarships across various UK universities.

Scholarship: University of Bristol Think Big Scholarships

Offered By: University of Bristol

Eligibility: International undergraduates

Amount: £7,500-£15,000 per year + potential £3,400 living cost bursary

Level: Bachelor's

Notes: Merit-based. Multiple awards available.

Scholarship: University of Manchester Global Futures Scholarships

Offered By: University of Manchester

Eligibility: International students

Amount: Varies (£3.5 million total pot)

Level: Bachelor's + Master's

Notes: September 2024 intake. Multiple awards.

Scholarship: UCL Scholarships

Offered By: University College London

Eligibility: International students from low-income backgrounds

Amount: Full tuition + maintenance OR full tuition only

Level: Bachelor's

Notes: For low-income country students.

Scholarship: University of Dundee Global Excellence Scholarship

Offered By: University of Dundee

Eligibility: International students with academic excellence

Amount: Up to €7,000 per year

Level: Bachelor's

Notes: Academic merit-based.

United States Scholarships

Scholarship: Fulbright Foreign Student Program

Offered By: US Government

Eligibility: International graduate students

Amount: Full funding (tuition + living + travel)

Level: Master's/PhD

Notes: Highly prestigious. Very competitive.

Scholarship: American University Emerging Global Leader Scholarship

Offered By: American University

Eligibility: International undergraduates with leadership potential

Amount: Full tuition + room & board

Level: Bachelor's

Notes: For students committed to positive civic/social change.

Scholarship: Brandeis University Wien International Scholarship

Offered By: Brandeis University

Eligibility: International undergraduates

Amount: Partial to full tuition

Level: Bachelor's

Notes: Merit-based. High academic achievement required.

Scholarship: Clark University Global Scholars Program

Offered By: Clark University

Eligibility: International first-year students

Amount: Minimum \$10,000 + guaranteed paid internship/research stipend

Level: Bachelor's

Notes: Renewable annually. Internship support included.

Scholarship: Educations.com Bachelor's Scholarship

Offered By: Educations.com

Eligibility: International bachelor's students in USA

Amount: Up to \$5,000

Level: Bachelor's

Notes: Open application. For USA programs.

Australia Scholarships

Scholarship: Australia Awards Scholarships

Offered By: Australian Government (DFAT)

Eligibility: Students from developing Indo-Pacific nations

Amount: Full funding (tuition + living + travel + OSHC)

Level: Bachelor's + Master's + PhD

Notes: Must return to home country after. Fully funded.

Scholarship: University of Melbourne International Undergraduate Scholarship

Offered By: University of Melbourne

Eligibility: Students from low GDP countries

Amount: \$10,000-\$56,000 (full or partial tuition remission)

Level: Bachelor's
